

Helping the Community

April, 2013

Keeping Pearland Beautiful

Adopt-A-Spot: Dixie Farm from Hasting Friendswood to Pine Crest.

Ref-Chem is greatly appreciative to those who came out and dedicated their time to help support our new community. The mile long adventure started with everyone meeting at the new warehouse and traveling together to the cleanup site. Once there, four groups split up to conquer the huge one mile; four lane stretch of road.

By Ref-Chem participating in the Adopt-A-Spot it helps saves taxpayer's money and keeping our rights-of-way clean. More and more people are coming to Houston and surrounding areas, which translates to – more people – more cars – more traffic – more litter! Volunteers are needed more than ever to help keep Texas roads beautiful.

Thank you to the following employees and their families...

Ben White	Dale Kenny	Natasha Greene
Denise Brown	Gerald Debbrecht	Norm Brown
Jackie Taylor	Jennifer Brown	Scott Weaver
Kenny Vazquez	Marina Johnson	Velma Mayo
Melvin Robinson	Miriam Martinez	Vicki Collins

...

**A special
"Thank You"
to all that
volunteered on
Saturday
April 6th.**
